Summary of Conversation:

6:10 p.m.

Jackie Connely will check to see if there are any ~~too~~ flood plain maps for Sheridan Township - specifically for Section 36.

She will call me in the next day or so to let me know.

Her day time work phone (a Dr's office) is (517) 629-8008. She will be here a few more weeks then she will be full time at the township office.

- Jackie called me at home. She found the map in the Supervisor's office. She will mail ~~is~~ a copy to me - focusing on the area in Section 36.
